

Our DNA:

At Artios Ministries, we firmly embrace the transformative power of God's Word. It is our unwavering mission and deepest conviction that Scripture serves as the lifeblood of a meaningful walk in Christ. Grounded in a literal, grammatical, and historical hermeneutic, we are dedicated to studying and teaching God's Word verse by verse.

Central to our faith is the belief that the Lord Jesus Christ was sent by God the Father to atone for all human sin, providing a pathway for deliverance from spiritual death and impending judgment. Through His efficacious, spiritual, substitutionary death, Jesus offered redemption to mankind as a free gift to anyone who believes (1 Peter 1:18–19, John 3:16).

Furthermore, we affirm the biblical truth that every individual, upon death, will experience resurrection—believers to eternal life in Heaven and unbelievers to judgment and eternal separation from God (John 5:28–29, Revelation 20:11–15).

We hold that spirituality is the utilization of one's spiritual assets found in Christ, unhindered by sin, and characterized by a worthy walk in those works prepared beforehand (Ephesians 2:10), walking by means of the Spirit (Galatians 5:18), and abiding in Christ (John 15:5).

Empowering Pastors, Transforming Ministries, Verse by Verse

Who We Are:

Jeff Phipps

President Artios Ministries

Jeff is a servant leader with a passion for spreading God's Word verse by verse both locally and internationally. He is the president

of Artios Ministries and President and Director of Camp Arete, additionally he serves as the Vice President of Bible Framework Ministries. Through servant leadership and dedication, Jeff continues to impact lives and inspire others to embrace the transformative power of God's Word.

Rui Demasceno

Vice President Artios Ministries

Pastor Rui holds a ThM in biblical hermeneutics from Bethel Seminary and serves as the pastor of Dunas Bible Church in Natal, Brazil. Pastor Rui is the Vice President of Artios and an affiliate missionary with Light in Action, passionately spreading the gospel locally and globally. He is a proud father to Pedro and Zoe and the loving husband of Ariel. Through servant leadership and dedication, Rui continues to impact lives and inspire others to embrace the transformative power of God's Word.

ARTIOS

BRAZIL

 *Equipping Pastors,*
 *Transforming Ministries,*
 *Verse by Verse*

What We Do:

The ministry is dedicated to equipping pastors with God's Word. We train pastors in accurate Bible study methods, emphasizing a grammatical, literal, historical hermeneutic. Through intensive discipleship, we empower pastors to effectively lead their church ministries with depth and clarity. We share the Truths of God's Word verse by verse, book by book.

Where We Serve:

Our primary focus is on Brazil, with our efforts centered in and around Natal, located in the northeastern region of the country. This area is abundant with eager believers seeking to deepen their understanding of God's Word. Many pastors here possess the desire to share it but lack the necessary tools to do so effectively.

How We Do It:

Three times a year, we organize retreats where pastors come together for immersive Bible study sessions, delving into Scripture book by book, verse by verse. Our team invites seminary-trained professors to lead these sessions, ensuring pastors receive top-notch theological education. Each visit spans five intensive days, with sessions lasting ten to twelve hours daily. Pastors stay with us during these retreats, where we provide meals, sleeping arrangements, and valuable face-to-face discipleship opportunities.

Our Needs:

- **Go:** We are in need of faithful men who are willing to teach others and invest in the next generation of church leaders.
- **Pray:** We covet your prayers for wisdom, guidance, and divine provision as we continue in this vital ministry.
- **Give:** Your financial support enables us to sustain and expand our ministry efforts, reaching more pastors and communities with the transformative power of God's Word.
